Dear Member,

EBAI Covid 19 Advisory June 15, 2020

The Guidelines for Cornea and Eye Banking During COVID Era Version 1.0 issued by Eye Bank Association of India on 11th May 2020 will continue to remain valid till 30th June 2020 or until the further notice, whichever is earlier.

The 6th point under the heading Advisory for resuming the Eye Banking Activities is to be read as: “Eye Bank Association of India advises that the collection of nasal swab of the deceased donor for RT-PCR COVID 19 testing can be done and sent to the laboratory immediately.”
